2012 Aggie Muster Speaker Roger Creager '93

Roger aspired to become a country music singer since he was six years old. He started learning how to play piano in the second grade, but didn't learn guitar until he was a student at Tuloso-Midway

High School. He was always found singing to himself during his early years, since he was shy around others. After high school, Roger attended Sam Houston State University and earned a degree in business. Roger went on to Texas A&M University in College Station to earn a degree in agriculture in 1993. In College Station, the Texas Music Revolution helped Roger become a successful musician. Since the release of his first album in 1998, Roger

has become a fixture on the Texas Music scene, becoming known for his high energy performances and cult following.

Today, Roger Creager is an adventurer; he does not like to sit still while the world passes by. Whether it's climbing Mount Kilimanjaro in Africa, jumping off his boat to snorkel with wild dolphins, snow skiing in the Rockies, catching tuna 100 miles from shore, piloting his airplane to far-off concerts, spear-fishing around oil rigs, scuba diving coral reefs, surfing in Costa Rica, or playing music through the Italian countryside, he tries to get the most out of what the world has to offer. All of this finds its way into Roger's music and live shows. His passion for life invigorates everyone around him including his fan base. Those who get hooked on his charisma and high energy come

Call for Muster Silent Auction Items

Do you have anything you would like to donate for our Muster Silent Auction? Last year we raised over \$1500 for our scholarship fund! Please help us do it again. All donations are **TAX-DEDUCTIBLE** and documentation is supplied. Past donations have included:

- Tickets to sporting events, theatre, ballet
- Autographed memorabilia - Aggie athletes are an extra big hit!
- Discounts, coupons or gift certificates for spas, haircuts, gyms and dining
- Free nights at luxury accommodations
- Snowboard, jewelry, etc.

Items less than \$10 in value may be bundled together for auction purposes. Please contact Sarah Spivey at aggie00_sarah@yahoo.com or 720.579.4920 if you are interested in donating to the silent auction.

Proceeds from the auction benefit our scholarship fund, which helps Colorado high school students to attend Texas A&M.

Auction items on display at the 2008 Muster.

Opportunity Award Scholarship

Each year through the University's Opportunity Award Scholarship program, the Denver A&M Club awards scholarships to incoming freshmen that are residents within the Club's region. This year the Club will be giving out thousands of dollars in scholarships. The applicant pool determines the number of scholarships given and the amounts. The scholarship recipients are selected by the scholarship committee, which is made up of club officers. Applicants must reside within the Club's region and must be admitted to the University as freshmen for the Fall 2011 semester. For more information about the Opportunity Award Scholarship, please visit the Scholarship web page on the Texas A&M website at <https://scholarships.tamu.edu>. The 2011 scholarship recipients will be announced at the summer picnic.

2011 Scholarship Recipients

Ben Kemp

Kyle Kempf is a freshman engineering student majoring in Biological and Agricultural Engineering. He lives in Mosher Hall with roommate Tony Kahn, from Highlands Ranch. In his first semester, Kyle took Engineering I, Calculus, Physics, Biological & Agricultural Engineering, and Kinesiology. After seemingly endless studying, tutoring, and concern, he was excited to pull off a 3.66 GPA. College courses are proving to require much more time, effort and independent study! Kyle is also a member of the Aggie Men's Alliance, a social and service organization that broadens your network of friends. It also helps to strengthen leadership skills and serve the community. They are currently planning "The Big Event" which provides help to the elderly and needy. For fun, Kyle played intramural football this past fall and plans to play intramural basketball in the spring. Their football team made it to the championship game! He also enjoys working out at the recreation centers and utilizing the golf driving range near Mosher Hall. Kyle really enjoyed the long holiday break between semesters to reunite with friends, relax at home, and even get some Colorado snowboarding in. The scholarship from Denver Aggie Moms was definitely appreciated! Thank you for supporting and caring for our local TAMU Aggies.

Colin Perez

Colin Perez is loving life at TAMU. His first semester was a whirlwind of new and exciting experiences. He is in Squadron 12 in the Corps of Cadets and loves the challenges of the Corps, the traditions, and learning everything you ever wanted to know about Texas A&M. This semester he is enrolled in Air Force ROTC, chemistry, trigonometry and astronomy. It's a bit of a change from the history laden studies of fall semester. Colin was fortunate to travel to Berlin, Germany with his German class at the end of November. It was an experience he will not soon forget and hopes to repeat in the future. This trip has caused him to consider majoring in International Studies. Along with school work and duties in the Corps, Colin has enjoyed learning to two-step, making new friends, and most especially tackling the yell leaders after the Aggie win over Baylor! "Thank you so much to the Denver Aggie club for your support. A big thank you too to the Aggie Moms for their awesome finals goodies. It's good to know there are people backing me."

Howdy Denver Aggies!

Looking Back

I would like to first send out a huge thank you to our 2011 Officer team for their hard work, willingness to serve and forward thinking ideas to help to create a resource for all Aggies living in the Denver area. Our officers did a great job reaching out to the network of Aggies to foster both personal and business connections to further strengthen the foundation of our club. Some of the opportunities included football watch parties, basketball watch parties, our Annual Picnic, Muster, Jazz In The Park meet up and Family Night at the Denver Nuggets. Thank you again to all the chairs and officers for your time and effort in making 2011 such a success!

In 2011 our website, denveraggies.com, was revamped to allow communication to flow more freely to Denver Aggies. By streamlining our email distribution lists, the officers began utilizing online resources to publicize events, manage guest lists, and reach new Aggies to the area. The Denver A&M club awarded four scholarships last summer to the brightest group of men. We hear that they are all doing well and loving their experiences and time at Texas A&M! Congratulations to: Zachary Branigan, Tony Kahn, Colin Perez and Ben Kemp.

What is Next

The 2012 officers are excited about strengthening our presence in the Denver area and continuing as a reliable resource for both existing and new aggies. Our hope will be to provide meaningful opportunities for Aggies to connect with new Ags as well as develop effective relationships with the community through volunteering and providing scholarships to future members of the class of 2016!

Like many officer teams before ours, we hope to rebuild the foundation of the Denver A&M club and increase our member base. By increasing our membership roster, the club will be able to offer larger and possibly more scholarships to future Aggies graduation from high school in the immediate Denver area. Also, by boosting the number of members in the Denver A&M club we hope to extend our connections into the community to provide a strong and diverse network of Aggies.

I look forward to working along side our current Board of Directors to ensure that actions we take this year have a positive impact on the our sustainability as a club. I appreciate all that you do to help drive the Denver A&M Club towards a bright future here in Denver.

Finally

I would like to extend an invitation all Aggies in the area to contact me with feedback on how the Denver A&M can better serve our family of former students living in the Mile High City. To be a successful club, we need grow in the direction of the needs those that we interact with. So please do not hesitate to contact myself or any of the 2012 officers.

Furthermore, I would like to extend a warm welcome to Aggies that recently call Denver their home and I look forward to meeting you soon. And to our current residents of Denver, Howdy and I cannot wait to see you again.

The Year In Review

Muster 2011 Recap

Just over 100 Denver Aggies gathered at the Park Hill Golf Club to celebrate the 2011 Muster. Coach Jackie Sherrill shared exciting and memorable stories of his time at A&M as the head football coach as well as the progress and reach of the 12th Man Foundation. The Magnolia Hotel in downtown Denver graciously donated a room for Coach Sherrill's stay for Muster.

Aggies at Jazz in the Park

In August, small group of Aggies gathered together to enjoy good music, friendship and a wonderful summer evening at a free concert event at City Park in Denver.

Blue Bell In Denver

In March of 2011 Blue Bell Ice Cream made it's début in Denver Colorado! Blue Bell had a sampling of ice cream at the Rio in downtown Denver. Of course our local Aggies were first in line to support Blue Bell!

Annual Aggie Picnic

In July, Fifty Denver Aggies gathered at Magna Carta

park in Denver to send off the proudest members of the Class of 2015! The Denver A&M Club offered four scholarships to outstanding new Aggies. Kyle Kempf, Tony Kahn, Zachary Branigan and Colin Perez were awarded scholarships to support them and their first year at Texas A&M. Two new Board Members, Chris Busch and Jim Kast, were voted to replace outgoing board members Jim Voorhies and Jack Carey. A special thanks to our outgoing board members, we appreciate the knowledge and guidance you provide to our officers every year!

Denver Texas Aggie Moms

Denver A&M Mothers' Club chapter, affectionately nicknamed the Denver Aggie Moms or DAM club was chartered in November 2009 with 14 members. The DAM club is now in its third year. There are 27 official members, including members from Denver area, Colorado Springs and Fort Collins. The club has doubled in size in just over two years! The club holds monthly meetings, September through May on the second Tuesday of the month at the home of one of the Aggie moms. In June of 2011, the club held its 2nd annual summer family social. This event provided an opportunity for Denver Aggie students to meet and greet other students from Colorado, so that while on campus, they might know a fellow Coloradan to hang with or perhaps to share a ride to/from Colorado during breaks. Over the winter break, another family social was held with approximately 15 of our students socializing while playing pool, sharing a meal, and watching the Aggies BTHO Northwestern in the Meineke Car Care Bowl. One of our students even conversed with an Aggie Mom in Chinese! Whoop!

Each month the club meets to share our knowledge of A&M, the experiences of our students, and to support our students. We celebrated the graduation of three of our students in 2011, and will celebrate the graduation of several more in 2012. Many moms choose to continue their membership even after their students graduate as lasting friendships are developed. Each semester our students receive awesome and much appreciated baskets of goodies to help them make it through finals. This year in our club meetings, we have also made Aggie Moms luggage tags, Howdy cards, and Aggie Moms jewelry. We even enjoyed our first Aggie Moms Night Out painting pottery just for fun.

We are proud that our young club also was able to support the family of Texas A&M Junior Caleb Jentsch '13, of Victoria, Texas, who suffered a traumatic skiing injury while on winter break, 2012. This support included hospital visits, prayers, hot meals, goodie baskets, and monetary gifts to help the family with ancillary needs. The Aggie family extends far and wide and we were happy to support fellow Aggies in need while they are located in our part of the world.

For more information, contact club presidents, Brenda Salinas '81 or Marsha Shaffer at denveraggie moms@gmail.com or check out our Facebook group page under [DenverAggieMoms](#).

Join us if you are a mom of a Former Student or current Aggie! We would love to have you!

At each of our Magnolia hotels, you'll experience the comfort, personality, and style unlike that of trendy or branded hotels. Stylish interiors are designed with a local flair. Comfort is fashioned through warm personal spaces such as our lounges and restful rooms and suites. Complimentary amenities such as a morning breakfast service, evening reception, and bed time cookies yield unexpected value. Our personality parallels the cities we reside in. Our staff is not pretentious or overwhelming, but genuinely friendly and helpful.

Tony Kahn

Tony is from Highlands Ranch, Co. and graduated from Mountain Vista HS. He is an Electrical Engineering Major currently living in the Engineering Dorm, Mosher Hall. Tony is adjusting to the rigors of his Freshman year and loves going to Texas A&M. His first semester he took the engineering track courses. Tony is involved in the Aggie Men's Alliance, a leadership and social organization at Texas A&M University committed to the success and fraternity of its members and the well-being of the surrounding community. He was active in their flag football and other activities they offered. Tony is enjoying all the traditions of TAMU and going to the football games at Kyle field. He also is very connected with his impact group and finds he spends his spare time socializing with them. This Christmas break, Tony worked at the Westridge Rec center, and enjoyed hanging with his friends and family. Tony is very grateful and would like to thank the Denver Aggie Club for his scholarship and appreciated it very much!!

Update on 2007 Scholarship Recipient Mark Godsey'11

Mark Godsey'11 was a 2007 Denver Aggie Club scholarship winner. Mark will graduate this spring with a Bachelor of Science degree in Mechanical Engineering. Mark has enjoyed 4 plus years at Texas A&M with the help of the Denver Aggie Club and the Denver Aggie Moms Club. After his 1st year, his mom Mary Gay'79 asked him if he was still happy that he chose Texas A&M and he replied, "Mom, this is the right place for me, I cannot think of anywhere else I'd rather be". In Mark's senior year he was selected to participate in the 7 month General Electric's Early Identification Leadership student co-op program at GE's Steam Turbine and Generator Repair Services Plant, in Pittsburgh, PA. As a result of his internship, Mark received 'after graduation' offers from General Electric, Dresser-Rand, and Seimens Corporation. Mark accepted the offer to join the Engineering Leadership Development program with Seimens Corporation where he will rotate positions at Seimens, 4 times in the next 2 years. Mark has maintained a 3.0 or higher overall GPA. Mark says "Thank You Denver Aggie Club for your encouragement and your faith in me."

back show after show, year after year, and record after record. Creager's newest record may be his best work yet.

"Surrender", released Jan 2012, was produced by Lloyd Maines and marks a "back-to-basics" approach for Roger. As always, Roger creates an interesting collection with songs that are very different from each other and will keep the listener's attention start to finish. He co-wrote all songs except "Redemption Song", a Bob Marley classic.

Roger is very fortunate that his music career allows him this lifestyle. But he gives it back by putting his life experiences and his infectious high energy and zeal for adventure right back into his songwriting and performances. Creager may travel the world, but he never strays far from his small-town South Texas roots and his music encompasses all of him.
